Welcome from ETU President Sakis Pragalos

The European Taekwondo Union is very pleased to welcome all teams and officials at the European Taekwondo Championships in Manchester!

This event is the flagship event of ETU in 2022 and the Organizing Committee and its partners have done an excellent job in preparing this marvellous event! We are expecting more than 400 athletes from over 45 members to fight for the title of European Champion!

One year after the Tokyo Olympic Games, the new cycle has started and each and every one of you has a new chance to be the best! I wish all athletes the best of luck and may the best one win!

Finally, I would like to thank GB Taekwondo, British Taekwondo, the City of Manchester and all other stakeholders for their continuous support of Taekwondo and the Organizing Committee. Without their support, this event could not have been realized!

Yours,

Welcome from the Leader of Manchester City Council, Councillor Bev Craig

We are delighted to welcome the 2022 European Taekwondo and Para Taekwondo Championships to Manchester.

Manchester is a globally recognised sporting capital that has secured its place as an international destination for leisure, tourism and business and has gained a reputation as a place that makes things happen.

A truly passionate sporting city, not only for hosting world-class major events but recognised for our sports clubs and teams that underpin and support our community sports clubs and their legacy programmes.

Taekwondo is a key part of this sporting heritage, and we are delighted to host the European Taekwondo Championships for the second time, ten years after it took place in Manchester in 2012.

Manchester has a fantastic sporting infrastructure, including this year's venue, the Manchester Regional Arena, which has hosted many major Taekwondo events and stands ready for another ground-breaking competition in May 2022 with the first integrated European Senior and Para Taekwondo Championships.

We look forward to welcoming the European Taekwondo family to Manchester and wish them a successful and enjoyable competition as they begin their journeys to the Paris 2024 Olympic and Paralympic Games.

Welcome from GB Taekwondo Chair Julia Newton

I would like to take this opportunity to welcome you all to Manchester, the home of Taekwondo in the UK.

With the Tokyo Games going ahead without family and friends present last year, I am keenly aware that this event offers many athletes the opportunity to perform at the highest level in the presence of loved ones and a big live audience again. This will be an emotional moment for all of us and it is an honour to be hosting two incredibly special events.

I am delighted that GB Taekwondo, with the support of our principal event partners, UK Sport, Manchester City Council and British Taekwondo are hosting the 2022 European Senior and Para Taekwondo Championships in Manchester. Athletes will be placed centre stage at every step of the European Championships and deliver a well managed event which offers a stress-free environment and showcases the best of taekwondo's European talent.

We enjoy wonderful partnerships with World Taekwondo and Taekwondo Europe and our vision is to continue to work closely with the global Taekwondo community to deliver world class events and athlete performances which raise the profile of taekwondo and support the development of the sport both nationally and internationally.

At this time we are holding World Taekwondo's motto that "peace is more precious than triumph" close to our hearts and wish you all the very best of times here in Manchester.

12.6 Medical Insurance

All participating athletes, coaches, team officials, technical officials and participants at ETU events shall have mandatorily an international medical insurance that covers medical care (COVID included) and in case of emergency, repatriation to the country of origin, valid on the days present in the host country of the event.

ETU nor the Organising Committee shall be responsible to cover any medical costs incurred for medical treatment before, on or during the competition or repatriation in the broadest sense of the word.

All relevant documents proving that such an insurance is present, including insurance policy papers, should be taken to the event in case a medical situation occurs.

Each MNA, Team doctor or team medical staff must ensure their athletes and team officials have valid international health insurance that covers medical and emergency care at the designated hospitals in UK before arrival to the venue.

13. Covid-19 Information

Due to the changing nature of restrictions and guidance related to travel and testing during Covid-19 the Organising Committee has committed to following guidance published by the UK Government.

The European Championships is taking place in Manchester, England and therefore the specific guidance published for England applies.

The information contained in the outline is accurate as of Monday 21 February 2022.

If any guidance or legislation changes before the event the Organising Committee, in conjunction with ETU, will communicate to the participating teams what this means to them, and any impacts or considerations.

13.1 Entering and Exiting the UK

The latest guidance on entering and exiting the UK during Covid-19 can be found here: <https://www.gov.uk/guidance/travel-to-england-from-another-country-during-coronavirus-covid-19>

A key difference in the requirements for travelling to the UK is based on vaccination status. Individuals who qualify as 'fully vaccinated' do not need to take Covid-19 tests before travelling or after arriving in the UK. You must still complete a Passenger Locator Form 48 hours before arriving in England.

The next section outlines the different requirement for fully vaccinated and not fully vaccinated visitors to the UK.

The European Taekwondo Championships 2022 does not require attendees to be fully vaccinated. However, the OC does encourage Teams, athletes, and other attendees to consider the health of others, and the potential implications of not being fully vaccinated relating to travel, testing and isolation.

EUROPEAN
TAEKWONDO
CHAMPIONSHIPS
MANCHESTER 2022

13.1.1 Fully Vaccinated

What you need to do when you travel to England from abroad depends on whether you qualify as fully vaccinated or not.

To qualify under the fully vaccinated rules for travel to England, you must have proof of vaccination with a full course of an approved vaccine.

You must have had your final dose of the vaccine at least 14 days before you arrive in England. The day you had your final dose does not count as one of the 14 days.
