FUN & ENTERTAINMENT PROGRAMS

Dear Taekwondo family, I warmly welcome you at the Egypt open G2 championship 2019. During the present event, the new generation of Taekwondo athletes will collect the foundation of competition experiences, aiming to become the next Champions and Olympic medalists of the sport. The Egypt open Championships are fundamental for the athletes helping them not only to get familiar with the sport event environment, but also to adjust and align with the sport procedures, overpassing the stress of a competition. It is a great opportunity to introduce the taekwondo practitioners into a path that will get them challenged, excited and learn how to effectively turn effort and hard work into success. Let us give these athletes the greatest encouragement to excel themselves through taekwondo and excel the sport itself in the future. Expressing my appreciation, I cordially wish to all athletes the best of results and most importantly, to enjoy yourselves.

Amr Selim
